If you don't have Outlook 2013 installed, use the **Report – Copy top Clipboard** menu commands to copy the same data so that you can paste it into your email editor. This feature also lets you make a hard-copy report.

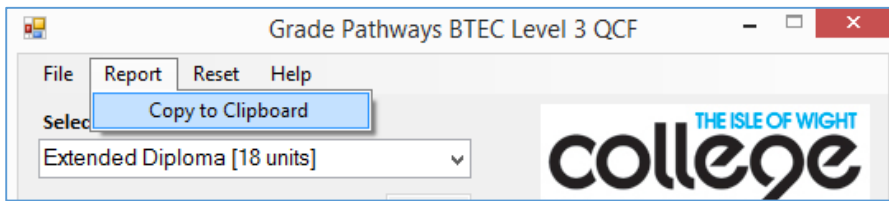

MENU TOOLBAR

The Menu allows some basic control of the application.

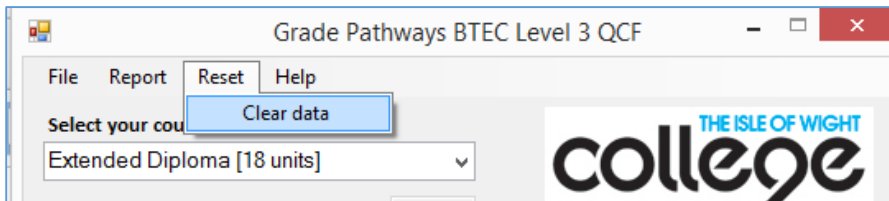

Use the **File menu – Exit** command to close the application

Use the **Report – Copy to Clipboard** menu to copy the current scenario (current grades, target profile and grades required) to the clipboard to paste the data into another document.

Use the **Reset menu – Clear data** command to clear the current entries and start again.

The help menu has no features at present. The version numbers and licence will go here in a future version.
